THE FUNDS BOOK

An indispensable guide to sources of public funding for cinema, JIFF is going to publish from this year onwards.

Book your copy today at: <http://www.jiffindia.org/thefundbook.html>

The Meaning of Desktop screening

For better experience of the desktop screening, we will offer good quality computer systems to watch the selected films. You can watch all these films once or again and again as per your comfort.

Please make a note of that these films will not be screened separately at all. The desktop screening films are chosen out of the best films received by us. But due to extremely tight screening schedule during the festival, we have made special arrangements for the audience to watch these films.

This step is basically taken by us to provide the opportunity to as many numbers of filmmakers to participate in JIFF. This is also very helpful in enabling the phase of communication in between the participating filmmakers.

THE MERCHANT-FILM MARKET & CO-PRODUCTION MEET

In JIFF 2011, foundation of film market was laid by the name of "THE MERCHANT".

In 2012 & 13 only the selective filmmakers could participate in 'The Merchant'. Now Film Market-The Merchant will remain open for everybody.

The people who are interested to participate can go into further details of the film market on the 'Home Page' and 'Film Market page' of the website.

In The Jaipur International Film Festival, The Merchant is based on the radical concept and it is currently the most affordable film market available in the whole world. The registration to the film market is economical and cost effective.

The 3rd JIFF Co-Production meet will take place on 5th February 12.30 pm to 2.30 pm, during the 6th Jaipur International Film Festival-2014 at Film Market venue. From 1 September, 2013 till 5 January 2014, experienced producers and new producers from all over the world can register or submit their script.
